Please Note: I have transcribed this to the best of my ability. Sound bites of parties speaking simultaneously and those inaudible to me have been deleted from the transcript. If I guessed at a word, it was followed by a ()? A ___ (blank line) indicates I could not understand the word or phrase and three dots ... indicate an interruption in the dialogue of one party by another. Thank you for your understanding. MaryKris.

0:00 I wish Israel knew that but I don't think Jews or Israel does know that today. They know their government is not reliable. It doesn't matter if you're on the Right, Left, if you are religious in Israel, you know that the prime minister is probably the best you have and he's horrible. He's not the right person to be leading Israel at this time because he's way too culpable in the existence of Hamas, in the removal of the IDF deterrent along the southern Israel border that enabled 10.7 to happen, he was way too slow in his response to what happened on 10.7 and, unlike a moral politician he has not accepted responsibility. Now, I do not criticize him as the Progressives across America are doing where they claim that he's only trying to prolong the war because he wants to stay in office because that's insane. There's nobody even in Israel even on the Left that wants to end the war against Hamas until they have achieved what they think is victory, although I'm here to tell you that is impossible, and I've said it's impossible from the beginning.

1:34 There were several other issues in Israel, more so than ever before in the nation's history. The overwhelming preponderance of Jews are beginning to realize that the Haredim, the ultra-religious practitioners of Judaism, are parasites, that they are a cult, and that they are counterproductive, and that's a step in the right direction. I think that moderate, thoughtful, nonreligious Jews have come to realize that the far-left is also a tremendous liability and that their agenda as they protest against the government, as they protest to have the last hundred or so hostages (if there's even 50 alive) returned at any cost, the Shalit kind of deal where you give a thousand to one to end the war, allow Hamas to be victorious and to save perhaps 40 people, you sacrificed 40,000 assuredly as I'm speaking to you now. It is insane and grossly immoral and yet that is what they're pleading for and they want to blame Netanyahu for not giving them what they want which is suicide.

3:05 The IDF, while fighting bravely and is the most disciplined military in the world, it can't save Israel. That knowledge hopefully will bring more Jews to the realization that as the last bastion of hope for Israel they need to turn to a much more formidable power, and that would be Yahowah. They can't go to the Left because they are counterproductive. They're pleading against the government, against judicial reform, against this war, and are pleading in favor of a Fakestinian State. They are all insane. So, on the Right and Left there is no hope in Israel and yet Israel is the only hope for humankind.

3:58 Israel is not just battling for the survival of Israel; they're battling for the survival of Jews. Back in the 1930s and early 1040s before there was a sanctuary for Jews, a place that would fight to protect Jews

when there was the same kind of upheaval like what we're witnessing now, Jews had no place to go, and they were almost annihilated. Six million of them paid the ultimate price because there was no sanctuary for Jews. There is one today but if it is lost because Israel continues to make horrendous mistakes and because the world has turned against Israel, then we'll be back to a situation that's far worse than what the world experienced in the 1920s, 1930s, and early 1940s. For them, there was one doctrine, one party, one dogma that touched a nerve that was prevalent among most Europeans - rampant antisemitism. This one dogma that was positioned as the people's religion by Adolf Hitler managed to turn universities into very hostile places for Jews. It started there just as it began in the United States and Europe. Then it went to their stores so that they couldn't go about their business, then to their homes, where they used the IBM punch card system to locate Jews and haul them away to concentration camps. We're not just at the first phase of what happened in Germany, but what's happening on college campuses across the United States and Western Europe is far worse than what the Nazis inspired in Germany in the 1930s, far more hostile, and it has a much broader backing. We're not dealing with 20 million Germans who happen to be Nazis. We're dealing with two billion people who happen to be Muslims and who practice the most deadly, demonic, dehumanizing, antisemitic religion ever conceived by Satan and man, and they have leagued with and are being supported and encouraged by the Left Progressives who are probably a billion strong worldwide. You have three billion people this time, not 30 million, and it isn't isolated to Germany; it is across the world.

7:01 Israel, unless you wake up and recognize that you've done everything wrong as it relates to what occurred on October 7th you're not going to exist anymore. Now the hope and expectation is that there will be a remnant of Jews who awaken because of what's on the bookshelf at yadayah.com. Please go there and read *An Introduction to God, Yada Yahowah, Observations, Coming Home, Babel, Twistianity, and God Damn Religion*. It's all there explaining it all to you so that you might know the truth and be among that Remnant, some 77,000 is my best estimate of Yahuwdym and Yisra'elites who will accompany the return of Yahowah and your Messiah, Dowd, your Savior, the very Son of God on his return on Yowm Kipurym in year 6000 Yah, October 2, 2033, at sundown 6:22 p.m. in Yaruwshalaim, less than ten years from now.

8:33 When October 7th happened, that morning I was translating a prophecy from Yahowah on how He was going to deal with the Fakestinians in Gaza. The answer is that He's going to annihilate them. But between now and then it became imminently aware to me that Israel needed to do the following things. I begged Israel the evening of October 7th, as I took to the air to speak to the people whom I serve and to whom I've devoted my life for the past almost 23 years, Yisra'elites and Yahuwdym, on behalf of Yahowah your God, that Israel needed to do the following things to survive. Unfortunately, Israel hasn't done any of them so I'm ___ them and then we're going to turn to the 11th Mizmowr to talk about what Yahowah has to say about this moment In time.

9:49 First, recognize who is at war with you. It's not Hamas, Hezbollah, Iran, Islamic Jihad, not Fatah or the PLO; it's the one thing they all have in common - Islam. Since the morning of October 7th, I have devoted 12 to 14 hours a day seven days a week to a singular cause, rewriting what was originally called *Prophet of Doom* which at the time was the most comprehensive, textual, accurate, and complete presentation of the Islamic scriptures ever written. It explained why Muslims are trying to annihilate Jews.

10:54 I set out that morning to rewrite it knowing that it was one of only three books that I had not rewritten multiple times over the past 22 to 23 years that I have been devoted to the cause of God's people, and oh my, did it need to be rewritten. Not because the things I said about Islam were untrue, they were all accurate. Not as accurate as they are now, but because of the things that I did not know about Yahowah that I do know now 30 books later and a score of years. What was about 700 pages of analysis followed by a couple of indexes and some Preamble material is now 3,300 pages. The first three 825-page volumes of *God Damn Religion* have been published and are available for you to purchase royalty free at Amazon. I'm not trying to make a nickel on you; I would never do that. They are available in Kindle format, paperback and hardback and are also available in their entirety free at yadayah.com. *Yada'* means "to know." Yah is the familial form of Yahowah's name. David, our web master is going to make a link at the top of the header to each of the family of books so that rather than having to swipe or click multiple times at the far-right end of the bookshelf to find *God Damn Religion* you'll be able to click directly to it from the top of the header.

12:57 This is important because while I originally thought that *An Introduction to God*, particularly Why You? Why Me? chapter would be the best place for Jews to start, I don't think that's true anymore. It's not a bad place to start; starting the first volume of *Yada Yahowah, Observations, Coming Home*, are all wonderful places to start. If you are confused about Judaism, reading *Babel* is a wonderful place to start. It excoriates the books written in Babylon, particularly Ezekiel.

13:35 But now the threat is Islam against every Jew worldwide. This threat is largely existent because rabbis made it possible. I explain that in detail by citing the Islamic Hadith and Quran. *God Damn Religion* now covers every surah in the Quran (over 90 of them in their entirety). It covers the breadth of the most important Hadith collections, particularly Ishaq and Tabari. It puts it all in chronological order from Islamic creation all the way to Muhammad's death, and you will know exactly who your enemy is. And if you say, "How can we declare war against a religion of two billion people?" That question belies ignorance. You don't have to declare war on them. They declared war on you 1,400 years ago.

14:48 The largest concentration of Jews perhaps in the world in any one place at that time was in an oasis town called Yathrib where some 30,000 Jews were annihilated by Muhammad. He stole their homes and property, decapitated the men, he raped the women and enslaved the children. Sound familiar? How different is that than what happened on October 7th? That's what happened exactly 1,400 years ago. From there, after he had killed every Jew in Yathrib, he turned to (Khaybar?) You've heard that name. It's where the phrase "Allahu Akbar." Allah is greater than Yahowah is the intent of the prayer of fear first used where Jewish men were not only tortured and murdered by Muhammad and his goons, but the women were raped, and the children were sold into slavery. They declared war on you. Your ignorance of that is not helpful. Trying to normalize relationships with Saudi Arabia is not helpful and in Islam lying is considered good. All vows and treaties are renounced between Muslims and non-Muslims; they're used as a stratagem of war.

16:55 When Muhammad left Petra (which is where the Kaaba initially was) in shame, the first year of the Islamic era does not begin at the first “revelation from Hell” in the cave in Petra. It begins when Muhammad, after the Satanic Verses and after the wild donk-mule ride to Al-Aqsa Mosque, (which didn't exist) met with some Arabs (pagans) from Yathrib, and they declared war on all humankind. They've been at it ever since. The Quran is a declaration of war on humanity. All the suras revealed in Yathrib demand that Muslims kill. It doesn't just say “fight.” It says, “slaughter all non-Muslims beginning with the Jews.” When the Jews are gone, if they got their way, they would kill everyone else and then when everyone else was dead they'd kill one another. Islam is a death cult. The Quran's not just the worst book ever written it's toxic, it's demented, it's demonic, it's dehumanizing. It's not my opinion, that's a fact. So, Israel, the first thing you need to do is to wake up and recognize the problem is Islam, the Islam of the Quran, the Islam of the Sunna, the Islam of the Hadith, the Islam of Muhammad, the Islam of Allah.

18:37 If you want to know how he got his name read Yasha'yah 14. The great prophet tells you all about him. His name is Halal. Allah is Halal. He's the one that sought to be worshiped as if he were a god. That is your enemy. You need to know it. You need to read volumes 1-4 of *God Damn Religion*. Volumes 1–3 are already available in their entirety on the site and by the time you've finished reading them volume 4 will be published. You need to read it, Israel. You need to know how to survive. You need to know who is trying to kill you and why because when you know, even though you're justified in going after the Hamas terrorists in Gaza, you can't prevail. Bullets and bombs have never stopped a religion and you're not going to be the first. You could kill every Hamas fighter (which isn't possible) it would make no difference whatsoever because for every terrorist you kill you will manufacture 10 more and all the while you'll continue to turn the world against you. I'm not saying that because I have sympathy for the Gazans; I have none. In Gaza there are two kinds of people, jihadists and those who support jihadists. They all want you dead. So, I do not have a bleeding heart for the Gazans.

20:55 You can't prevail with bullets and bombs. You need to fight this war with words and to wield them wisely and you can't wield them wisely unless you shed your ignorance. My gift to you is *God Damn Religion*, and I do not give it to you cheaply. Not only have I devoted the last six and a half months of my life to rewriting a book that I originally dedicated four years of my life to writing, put myself In Harm's Way by meeting with Al-Qaeda, Islamic Jihad, and Hamas 22 years ago, I have since received 10,000 death threats for doing so. This does not come cheaply for me to offer you this gift, Israel. So, please don't do what you did to your Messiah. Don't do what you did to the Son of God. Don't do what you did to the Zarowa' when he laid down his life as the Passover Lamb for you and you spit at him. He is not “Jesus.” That is a myth. He's Dowd | David, your King and Shepherd, *my* King and Shepherd. Don't turn down this gift.

22:21 Secondly, Israel, I don't know what it's going to take to convince you to do this, but you need to make it illegal to say “Palestinian” and “Palestine” in Israel. You need to make it illegal to be written in any newspaper, to be said in any media outlet. There is no such thing as a “Palestine.” There is no such thing as a “Palestinian” but because you don't have the courage to say it the

world is now screaming, "Free Palestine! From the river to the sea Palestine will be free" because you don't have the courage to tell the truth and you need to do it. Your lives are at stake! This is not a game! You can't send the IDF off and expect that they're going to win this one for you. You've got to have a backbone, Israel, recognize there is no such thing as a "Palestinian," and have the courage to say it. The last Philistine was killed 2,300 years ago. They were bludgeoned by the same pharaoh of the Exodus, Thutmose III. He whipped them in Gaza. They're the same Philistines that Dowd, the great defender of Israel who fought and won 66 battles because he knew who to rely upon. He wasn't afraid to say Yahowah's name or speak out in favor of Yahowah. After Dowd's victories against the Philistines the Assyrians realized these foreign invaders from Crete were so obnoxious they wouldn't even be decent slaves, so they slaughtered them. The Babylonians, Greeks and Romans did the same thing. There are no more Philistines! They are all gone! And even then there was no place called "Phlistia." It was Gaza. They had five cities in Gaza. They were obnoxious there and they were annihilated; they're gone.

25:26 The only reason that the myth exists is because one of the five worst people who ever lived (let me put them in order) Paul, the founder of Christianity is the single worst, Muhammad is the second worst, Akiba is the third worst, Hadrian is next on that list followed by Hitler. Hadrian decided after he had crucified, slaughtered and enslaved enough Jews that he would rename Jerusalem after himself and build a mighty temple to himself on the Temple Mount, since the Temple had been torn down. While burning Jews alive (with the Towrah soaked in forms of kerosine wrapped around them) he inquired as to who the great enemy of the Jews was and when some Rabbi (that's about the time the first rabbis came to exist) said the Philistines he decided to rename the Province of Yahuwdah Philistia after the Philistines. That's how the name came into being. It's a misnomer designed to disgrace Jews. To even say it buys into the lie of Hadrian. Don't do it. Don't allow them to create the mythology that they are a displaced people, that Israel is occupying their land, that there is a place called "Palestine," and they deserve to have it; it's all a lie. The people masquerading under that title are unrelated to the Philistines of old and are unrelated to one another except through incest and all manner of inappropriate breeding which is why their IQ is so horrendously low and why there are so many birth defects in that part of the world. So, you need to eliminate the whole notion of a Philistine and every time that it comes up, every time someone says to free Palestine you say, "Where is it? Why are you pretending to be rallying for the Palestinians when there's never been such a people and certainly no legacy of them exists today? Even if you were to say they were the Philistines of old and even then, they didn't occupy Israe, ever. They invaded but they were driven back." Take the upper hand by telling the truth.

28:23 The next thing Israel has to do is to win the social media war that's been raging on the internet, and the only way to win that war is to do something that Israel has proven incapable of doing, and that is that every atrocity no matter how horrendous, every burnt body, every rape victim, every abductee, their life story needs to be told online with a first-rate presentation including pictures of their childhood, of their family and their life before October 7th, and then every possible picture of what happened to them when these savages attacked them, raped,

tortured and mutilated them. It all must be shown. And you say it's too much trauma. Well, how do you like the trauma that's happening to you now? If you don't do that you lose the social media war, and the social media war is more important than the one of bullets and bombs. You have to make the truth undeniable; it's the reason why *God Damn Religion* is now 3,300 pages. The truth is undeniable. I left no stone unturned, and you need to do the same thing. Every aspect of that day, everything that happened, every life that was damaged, injured, abducted, mutilated, raped has to be told and beautifully presented on a government site.

30:09 I admire the IDF because they are honest, and they have credibility. They've made plenty of mistakes, but not nearly as many as any other army in the world because they're more disciplined than any other army, and they will tell the truth when they make a mistake. They will tell on themselves. An IDF site shows it all. If you think that's cruel to the survivors think what's going to happen if you don't. October 7th was a mosquito bite compared to what's going to happen.

30:48 I predicted October 7th a year before it occurred. I didn't just predict it quietly, I predicted did it audibly on a radio show like this one where you can listen to the archive on it. I also wrote it into a book that I published as a copyright date a year ago, and the moment it happened I predicted something else and I'm going to tell you it is going to assuredly occur. What happened on October 7th is going to be one 100th of what will happen over the next six or seven years and that is that there will be a hundred times more missiles, rockets, and drones fired at Israel 100 times. There'll be 100 jihadists for everyone that invaded Israel on October 7th. That's what's going to happen and the IDF can't stop it. The IDF is beautifully designed to go to war with Jordan or with Syria, but it doesn't have all the equipment necessary to effectively fight Iraq and Iran; there's too many of them, you have to fly over hostile territory, and you don't have sufficient refueling aircraft or all even all the right kind of munitions. You know how to fight Egypt, Jordan, and Lebanon but you can't deal with 250,000 jihadists. They will take over all Northern, Southern, and Eastern settlements, communities, and towns in Israel. They will abduct hostages and will perpetrate heinous crimes and Israel will be in a position where there are no options. That's what's going to happen and there's nothing you can do to stop it other than you can be prepared yourself and you can make it more difficult by following the advice of the three things that I've already encouraged.

33:12 I predicted that you would invade Gaza before you did, and I also said that it was going to be a counterproductive move and you would make a bad situation worse and you are. That's just the reality. There is no way to prevail; It's not going to happen. You will have to pull out at some point. What happens then? All the terrorists will return. That's the reality of it and the nature of Islam. So, that's where you find yourselves. There's only one hope and His name happens to be Yahowah, a God Whose name you don't even want to say, and yet His name is in your Prime Minister's name. Netanyahu means "Yahowah's Gift" and yet you won't say it. You don't know what His seven invitations represent, you don't know the terms and conditions of the Covenant

that was for you. You don't even know that you as a Yahuw'dym | Jews were named after Yah. It means "Beloved of Yah."

34:28 You've got to begin by knowing, saying, sharing, being proud of relying upon Yahowah's name. Without that there is no second step, there is no hope. I would encourage you to read the books of *Yada Yahowah* so you know what the five conditions are of the Covenant and you can be protected by Yahowah, so that you might understand what the seven Mow'ed Miqra'ey are because now you think you're celebrating the Passover holiday and I'm here to tell you there is no Passover holiday. It's Chag Matsah, the very thing that you've forgotten. Chag Matsah incorporates Pesach, Matsah, and Bikuwrym. You need to understand why it's Chag Matsah of which Pesach and Bikuwrym are part. You need to understand what those seven Mow'ed Miqra'ey are and why Yowm Kipurym is your final and last hope. All of that is laid out for you at yadayah.com.

35:46 So, this is where you are, Israel, and it is why the world has erupted against you. I know many in the Covenant family are anxious about what they're seeing around the world, I'm not so much because if you were to watch the news and listen to the vile voices of progressives and Muslims on college campuses and around the world, screaming to eliminate Israel and to create a Fakestinian State, (as if Fakeistan could ever be free when Islam means "submission," and all Muslims are slaves to Allah; there is no free will in Islam, the whole thing's a lie) that as you see these things and you recognize how vile Islam is, how lost progressives are, and how the world has erupted to become overwhelmingly antisemitic, and how it's particularly bad among the youth who have been indoctrinated far more than anyone else because progressives dominate social media, academia, the mainstream media, and much of politics now. Because of all that there is only one hope for you and that is Yahowah. In the midst of the world screaming out against you I have decided to tune most of it out because I don't need any more motivation. I don't need to hate Islam or despise progressives any more than I already do. I don't need to be aggravated because I have a job to do. So do you, Israel. My job is to finish *God Damn Religion*, rewrite *Questioning Paul* as *Twistianity*, and then finish *Coming Home 3* which is a review of Dowd's Mizmowr | Psalms.

38:09 I've got a job to do; I can't be distracted by watching this horror show play out as zombies parade around America's universities. My alma mater is in the top five worst in the world today, the University Southern California, so I would advise for the Covenant family stop watching it. More than any time in your life prepare yourself to be of value. Read *God Damn Religion*, *Coming Home*, *An Introduction to God*, *Babel*, *Observations*, *Yada Yahowah*. You might say you've read them; read them again, come to know that material and be prepared to wield it in favor of Israel. Now that *God Damn Religion* is nearly complete you can help us make Israel aware of these books. Please. That's what we encourage. That'd be the best use of your time.

39:19 For a long time, Israel, I've come to realize, and it's obvious when you read the Towrah and Prophets, that you're really a tough bird. You didn't even get to the Gulf of Aqaba and Nuweiba Beach crossing before you were bellyaching wanting to return as slaves of the Pharaoh in

Mitsraym. You were already cussing Moseh, the Liberator, who came to rescue you and you hadn't even crossed the Red Sea. In fact, Moseh tried to inspire you and Yahowah said, "Why are you talking to them? That's a waste of time. Lift your staff, part the sea, and go across." Jews, you're irascible and have done everything you can to thumb your nose and spit in the face of God. It's time you stopped. The most religious of you are the worst, the most political of you are the second worst, and those in the middle there's hope for you, but you've got a lot to unlearn, and that's where you are.

40:56 Now, I'd like to share some insights of Mizmowr 11. We'll return to the Fourth Mizmowr next week. I'm doing the 11th Mizmowr because my wife asked me about five minutes before showtime if I would start with the 11th Mizmowr, and when it comes to doing what your wife requests Yahowah has only one example and that is when 'Abraham wanted Ishmael to hang around and be part of the Covenant and Sarah knew better and said, "Send that boy and his mother away; their trouble." What did Yahowah tell 'Abraham to do? Listen to your wife.

41:50 "**To** (*la* – concerning approaching) **the everlasting and majestic Guide** (*ha natsach* – the eminent and enduring Director who continuously leads) **of Dowd, the Beloved** (*Dowd* – of the one who is loved, of the close friend and adored associate).

41:58 **With** (*ba* – in) **Yahowah** (*Yahowah* – the proper pronunciation of the name of 'elowah – God as directed in His *towrah* – teaching regarding His *hayah* existence and our *shalowm* – restoration), **I find someone I can trust to keep me safe** (*chasah* – I am comfortable, restful, and reliant, at peace, protected, in perfect harmony by having properly placed my confidence).

42:07 **So why would you say** (*'eyk 'amar* – how is it that you claim) **of my soul** (*la nepesh 'any* – my consciousness, my character and inner nature, my personality, proclivities, and aptitudes), **'Flee** (*nuwd* – flutter away, wandering and aimless, shaken and lamenting while going astray, rebellious from grievances, traveling with no specific destination in mind, homeless and destitute, even squawking and complaining) **to your mountain like a bird** (*har 'atem tsipowr* – for your mount flying with wings)?" (*Mizmowr / Lyrics to Sing / Psalm 11:1*)

42:27 We began with Dowd introducing himself as the one who wrote this song. He is your Messiah, and he is the Son of God. He is also the Zarowa' | the Passover Lamb. He's the most important person in Yahowah's story in the history of humankind and he is saying here that the Everlasting Guide is Yahowah. I would recommend that you accept his perspective. He says "**With Yahowah I find someone I can trust to keep me safe** (*chasah* – I am comfortable, restful, and reliant, at peace, protected, in perfect harmony by having properly placed my confidence)."

43:15 Does that sound good, Israel? No matter where you are, on college campuses, whether you have a store that's identified with your ethnicity somewhere in Europe or the United States, whether you're in Israel surrounded by two billion people that hate you and want you annihilated, would you like to be like Dowd and recognize that Yahowah is someone you can trust?

43:45 **So why would you say** (*'eyk 'amar* – how is it that you claim) **of my soul** (*la nepesh 'any* – my consciousness, my character and inner nature, my personality, proclivities, and aptitudes), **'Flee** (*nuwd* – flutter away, wandering and aimless, shaken and lamenting while going astray, rebellious from grievances, traveling with no specific destination in mind, homeless and destitute, even squawking and complaining) **to your mountain like a bird** (*har 'atem tsipowr* – for your mount flying with wings)?”

43:51 Religious leaders would have *Dowd* | David all but disappear. Paul wrote he's in his grave rotting so all the promises regarding him must be to his myth Iesous Christus. No, Dowd is not rotting in his grave. He's already been here twice before and he's going to return a third time. For them, Dowd's life was little more than an aimless pursuit of personal grievances, his words lamentable, his attitude that of an incurable complainer. But most of all, they are bothered by the fact that God said of him and did through him everything that they have sought to attribute to themselves or others.

44:48 Akiba created Judaism based upon a false Messiah because he didn't recognize that Dowd was your Messiah and that he had come in your 4000 Yah to serve as the Passover Lamb and yet Judaism was started and the Diaspora occurred because the father of Judaism, Akiba, promoted a false Messiah. Why would you trust him on anything else? Christianity, of course, is based entirely on a false Messiah when the real one is the most extraordinary person in human history. The real one not only wrote all the Mizmowr and most of the Mashal | Proverbs, but he's also the most mentioned man in God's story. Second only to God's name, Dowd's name is mentioned 1,100 times. His name is mentioned more than Moseh because he's the Exemplar of Israel, of the Covenant and yet religious Jews are waiting for an unnamed Messiah to come and save them. It's Dowd who is returning. Embrace him.

46:13 The easiest way to simulate this flight of fancy was to take that which was redeeming from Dowd and give what God bestowed on him to another, all his accolades and titles. In so doing, at least in their eyes, his life became irrelevant, as did his kingdom, his titles, his people, his purpose, his prophecies, and his songs – even his relationship with Yahowah as the Son of God. He was called the Son of God three times. In the 89th Mizmowr, the Song of Dowd, the greatest song ever written by any individual, Yahowah says I am his Father, he is My Son. And I think one of the most important prophecies ever written in 2 Samuel 7 Yahowah announces He is my Son; I am His Father; 2nd Mizmowr the same thing. I am His Father; he is My Son. If you don't like the fact that God has a Son, then you don't much like the Towrah, Prophets, and Psalms.

47:22 Yasha'yah 9, which was absconded by Christianity, doesn't speak of the misnomer Iesous Christus | Jesus Christ, it speaks of Dowd. His name is even mentioned in the midst of it. He is the Son who was given to us. He is the great Gabowr. It's a shame that Israel has distanced himself from the Son of God, the Messiah and Savior. And don't pretend that you're parading around under the Star of David. David didn't have a star. Bar Kochba was the star. You've just taken the symbol and name of your false Messiah and applied it to the real one; that's stupid. If you want to have a symbol, Israel, make it the seven-candle Manowrah and trash the nine-candle one. It's

a worthless piece of crap. The Manowrah is your symbol. And when you speak of the Towrah, don't include the Rabbinical writings of the Talmud. The Towrah is Yahowah's inscribed by Moseh. Full stop. There's nothing more to it.

48:43 What had been written about Dowd was spun in the subterfuge of Replacement Theology. They took the unrecognizable result and applied it to themselves, their expectations, and their incarnation of their own salvation.

49:03 In this regard Dowd was observant but he was not the least bit amused. He put us all on notice. This is brilliantly written and is vividly depicted.

49:21 **“Indeed, behold** (*ky hineh* – on the contrary, pay attention), **those guilty of vexing religious malfeasance** (*rasha'* – those who are wrong, evil, and hostile to God, the wicked and contemned for lack of ethics, those culpable of horrid frauds and massive crimes)

49:28 That would be the rabbis of Judaism, all the pastors, priests, and popes of Christianity and Roman Catholicism, and most especially that would be all Muslims.

49:42 **those guilty of vexing religious malfeasance** (*rasha'* – those who are wrong, evil, and hostile to God, the wicked and contemned for lack of ethics, those culpable of horrid frauds perpetrating massive crimes)

49:49 **have bent** (*darak* – have set out to shoot) **the bow** (*qeshet* – the weapons which project their deadly influence and power). **They have fashioned and aimed** (*kuwn* – they have formed and shaped, prepared and directed (4QCatenaA suggests *mah'an* – to aim or direct)) **arrows** (*chets hem* – missiles as weapons (plural in the extant 1QCatenaA)) **upon the string** (*'al yether* – to the bow, the cord, and sinew) **to shoot** (*la yarah* – to move destructively) **through** (*bamow* – in the midst of) **the darkness and shadows** (*'ophel* – the depression and despair of being unreceptive, even calamity and terror, the doom and gloom derived from a lack of light) **at those who are straightforward and correct** (*la yashar* – at those who are on the level and right) **in their thinking and judgment** (*leb* – in their inclinations and disposition, in their understanding and decisions, in their core being, nature, and heart, in their conscience, reflections, and resolution, even courage and determination).” (*Mizmowr / Lyrics to Sing / Psalm 11:2*)

50:31 I only wish there were more targets because there aren't a lot of people out there today who are straightforward and correct in their thinking and judgment. But the invitation / *yashar leb* is open to everyone.

50:46 This is prophetically addressing the times not only when Imperial Rome, the Roman Catholic Church, the Holy Roman Empire, and all that would grow out of this Beast, including Orthodox and Protestant Christianity, European Kingdoms, and indeed the Third Reich bent the bow of religious malfeasance and pointed their arrows directly at Yahowah's people – *Yahuwdym* | Jews. It is also when 1,400 years ago Muslims bent their bows and raised their swords against the necks of every Jew in Arabia perpetrating genocide and they're still doing it today. But with their oppressive religious cult, rabbis are the greatest threat of all the Jews. They need to be

exposed; they need to be condemned. You need to walk away from them and disassociate from them, Israel.

51:54 The following statement is a rhetorical question. Dowd is asking us if we know the most appropriate way to respond to what Paul and his Roman Catholic Church have done to demean and replace Yahowah, His Towrah, and Covenant as well as what Muhammad and Allah have done because the number one theme throughout the Quran, besides Allah's fixation on torturing everyone, is that his Quran confirms the Towrah when it is the antithesis of it.

52:34 **“Indeed, when** (*ky* – because by contrast, as) **the most basic principles** (*ha shath* – the foundation and essential elements, that which frames and defines the issues, the very purpose and means of support; from *shyth* – that which is put in place, appointed, and fixed, constituting the proper mindset and response) **are torn down** (*haras* – are broken apart and dismantled, damaged, demolished, or destroyed, then overthrown and superimposed by something considered superior (nifal imperfect paragogic nun – the subject carries out and receives the action of the verb on an ongoing basis as an expression of volition in the first person)), **what should those who are right do** (*tsadyq mah pa'al* – what should be accomplished and done by those who are correct, what should be prepared and performed by and engaged in by the upright, those in accord with the standard who are vindicated (qal perfect))?” (*Mizmowr / Lyrics to Sing / Psalm 11:3*)

52:44 This is actually the line before the one my wife asked me to quote for this show but it's the reason why I decided to share the whole Mizmowr.

52:56 **“Indeed, when** (*ky* – because by contrast, as) **the most basic principles** (*ha shath* – the foundation and essential elements, that which frames and defines the issues of life verses death, right verses wrong, truth verses deceit are being broken apart, dismantled, damaged, demolished, or destroyed.

53:20 That's the nature of progressive ideology, and the nature of the religion of Islam.

53:27 **what should those who are right do** (*tsadyq mah pa'al* – what should be accomplished and done by those who are correct?

53:41 And not enough of you are correct, Israel. Please, read *An Introduction to God, Yada Yahowah, Observations, Coming Home, God Damn Religion*. Shed your ignorance. Become right not only with God but with the truth.

54:09 **what should those who are right do** (*tsadyq mah pa'al* – what should be accomplished and done by those who are correct, what should be prepared and performed by and engaged in by the upright, those in accord with the standard who are vindicated (qal perfect))?” (*Mizmowr / Lyrics to Sing / Psalm 11:3*)

54:22 Dowd knew the which is why he was asking the question. Dowd's the most brilliant person who ever lived and I can assure you he did not ask this question seeking the answer, he was

begging the answer. It's called a rhetorical question. We know it too because we have read what Yahowah inspired him to compose. And having studied his response, it should reflect our own. And in this regard, the Messiah and Son of God, our Zarowa' | the Passover Lamb, is blatantly and boldly confrontational, ever prepared, willing, and ready to expose and condemn that which is "*rasha'* – wrong" with the world – Islam, Christianity, Judaism and liberal Progressive politics.

55:24 Let's be clear: the most basic principles of the Towrah have been assailed and dismantled by Christianity, Progressives, and by Muslims. This began with God's name. The Christian god, the Islamic god, nor the object of worship of progressives would not be known as Yahowah. Yahowah's Teaching and Guidance would be mischaracterized as a laborious list of arcane laws which were no longer relevant and could neither be obeyed nor saved.

56:07 What rabbis have done to corrupt these to create the laws of Judaism is enough to make you want to vomit. They are arcane, they're a waste of time, they're counterproductive. So is Sharia law in Islam and all of Allah's edicts as well as everything that progressives would impose on the world.

56:42 Yahowah's Covenant was replaced with a different one, whether it be the Quran or the Christian New Testament, completely detached from Yahowah's instruction. The same thing is true with Judaism with their Talmud. The conditions and benefits that Yahowah was offering to be part of His Covenant family were forgotten. The purpose of each of the seven Mow'ed Miqra'ey were essentially annulled by religious mandates. The invitations to be called out and meet with God would suffer a similar fate preceded by a Babylonian holiday whether it be Christmas and Easter or Purim and Rosh Hashanah.

57:39 The book of Esther with its fabled imaginary history and with a pretend Jew married an unking of Persia to spare the annihilation of Jews is a fairy tale, and so is Purim. John Maccabee decided that he wanted to oppose the Lowy Kohen and their claim to the priesthood because there was money and power in that, and then he draped himself as being anti-Greek influence when it was an Israeli Civil War and created Hanukkah and your nine-candle Menorah. Don't fall for it. It's all a bunch of lies. Yahowah's story is consistent, straightforward, and He provided right in the midst of His Towrah in Dabarym 18 two things that are essential for you. One is the prophecy that is so often quoted in Dabarym | Deuteronomy 18 that speaks of "the one who will come after Moseh that is like Moseh that is from your people," it's Dowd | David, you King, Savior, Son of God, your Messiah.

59:13 The second half of Dabarym 18 is the test that you can apply to anyone, anywhere, any book including those that are now folded into what's called the "Bible." Many of those even in the Old Testament Hebrew don't belong. Jonah doesn't pass the test. Ezekiel and most of Daniel fail it in every possible way, as well as Ecclesiastes, Song of Solomon, and Esther. God gave you the test and said, "This is the criterion; use it." Rabbis wanted to use their own, so they've ignored it. We haven't. You need to know what you can trust and what you must discard if you're going to be a useful witness at this time.

1:00:15 Dowd, Yahowah's beloved Son, Chosen One, Branch, protective Shepherd, Set-Apart One, anointed Messiah, Sacrificial Lamb, and eternal King would be mischaracterized to either make "Jesus" or bar Kochba appear credible. Even then, after affording their savior either a Greek name or the name of a war lord, Christians and practitioners of Judaism would deprive Dowd of his role as the Passover Lamb – negating their salvation.

1:00:46 There isn't one Jew in a million that recognizes that Dowd is the Passover Lamb, the returning Messiah, the King of Kings, the Son of God.

1:01:08 The Chosen People would be condemned as inferior by Romans, then Roman Catholics, so that the Gentile Church, and Islam.

1:01:19 I see so many quotations say, "Can you believe that in some national radio they said that Jews were the descendants of apes and pigs?" Yes, because the Quran says so. "It says Muslims are ordered to kill Jews." Yes, they are. You can't pretend the Quran doesn't exist. It guides the beliefs and actions of two billion people, and it is a declaration of war against all humankind starting with Jews. Allah wanted Muslims to kill every one of you.

1:02:10 Welcome to the here and now. These *Mizmowr* | Psalms have been assailing what we are witnessing.

1:02:16 Ignoring the obvious, that present-day Israel is located within the boundaries God depicted, that the population is comprised of *Yahuwdym* | Jews, that their official language is Hebrew, and that there are countless prophetic declarations depicting Yahowah's return to Yisra'el on behalf of Yisra'elites, the Bible Society justified their conspiratorial animosity and rancid racism by falsely claiming: "The ancient Israelites are not linked in any substantive or material way to the contemporary, modern state of Israel. The biblical narrative of Israel has almost nothing to do with contemporary Israel other than the intentional manipulation of sacred texts to justify a political project." (Cited from a speech given by Evangelical Lutheran Church pastor, Robert O. Smith, a stalwart of the World Council of Churches and proponent of the Boycott Divestment Sanctions movement against Israel.) And, of course, in Islam it's far worse.

1:03:16 When liars lie, especially religious narcissists and self-aggrandizing psychopaths, they almost always project their own faults on those they oppose. That is precisely what is occurring around the world.

1:03:32 At the same time, a Fakestinian Lutheran pastor, Mitri Raheb, chimed in: "It wasn't the Lord God who promised Israel the land; it was the Lord Balfour." That's, of course, only partially true. It was Yahowah, not the "Lord God" who promised the land of Israel to Yahuwdym and to Yisra'elites. Balfour also promised it, but the world had a conniption fit and didn't allow it, and as a result of that, the Holocaust occurred.

1:04:16 There is a myth today that Jesus was a Middle Eastern Palestinian Jew. Talk about stupid. That's akin to claiming that a camel is the result of mating an extinct ass with a lion.

1:04:31 While I can't speak for the Lord, Yahowah spoke of Yisra'el, Tsyown, and Yaruwshalaim over 3,000 times in His Towrah, promising to return to this very place on behalf of His people who are named Yisra'el | Those Who are Engage and Endure with God and Yahuwdym | Beloved of Yah. And fortunately, based upon what Dowd revealed in his Mizmowr, those of us who have come to love what Yahowah adores will not have to endure the putrid presence or jaundiced verbiage of those who oppose Yahuwdym or Yisra'el much longer. Their term is nearly over. In ten years, they will all be gone.

1:05:26 Life is about exclusion and inclusion. We are each afforded the opportunity to choose between God and man. Will you exclude yourself from religion, politics, militarism, and conspiracy and include yourself among those who are in the Covenant? Relationship or religion, truth or deceit, life or death?

1:05:56 Long ago, some fourteen billion years looking back from our relative position in the universe, six days ago from God's, Yahowah made a decision He would never change. Since He created the universe, conceived life, authored His Towrah, and offered His Covenant to become part of a Family, anything our Heavenly Father could do with us or through us, He would not do alone. He has positioned and empowered us to expose and condemn those who would do that which He has warned against. Whether or not we engage as He intended is up to us. But be aware, even though Yah is leaving this up to us, He is aware of our choices in this regard.

1:06:57 This is what my wife wanted me to read to you tonight:

1:07:02 "**Yahowah** (*Yahowah* – an accurate transliteration of the name of *'elowah* – God guided by His *towrah* – instructions) **is in His Set-Apart Sanctuary** (*ba hykal qodesh huw'* – is positioned within His separated and uncommon residence; from *yakol* – having the capacity and power to endure, overcome, and prevail).

1:07:08 **Yahowah's** (*Yahowah* – God's one and only name, pronounced: YaHoWaH, based upon *hayah* – to exist) **seat of honor** (*kise' huw'* – His throne, place of authority and status) **is in the heavens** (*ba ha shamaym* – placed within the spiritual realm).

1:07:13 **He uses His faculty of sight to perceive what can be observed regarding the agreement** (*'ayn huw' chazah* – His eyes see, beholding visions by choosing to receive certain information, conveying that message prophetically to communicate for the purpose of perception and discernment regarding His contractual relationship).

1:07:20 **His gaze, like a beam of light** (*'apha'phym huw'* – His glances, like flashing rays, examine and communicate through His ability to jump through light), **assesses** (*bachan* – probes, examines, and tests, providing proof as it scrutinizes) **the children of man** (*beny 'adam* – the sons of 'Adam)." (*Mizmowr / Lyrics to Sing / Psalm 11:4*)

1:07:27 We don't have to watch everything horrific that's happening around the world. We can instead focus on the Towrah, Naby, wa Mizmowr | Yahowah's teaching, His prophetic utterances, and the lyrics to Dowd's songs. We can listen to God; we can observe what He has to say, we can

be prepared to live with Him and to defend God's people. God knows exactly what's occurring. He's not going to allow Israel to be destroyed, although most of it will be. His only promise is to save a Remnant and that Remnant that He saves will have chosen to be there. God does not work against free will. He is lifting His staff, parting the sea and offering you the opportunity to go across. Whether you do so or not is up to you; He's not going to beg you.

1:08:42 For most of the past three thousand years, Yahowah has been hands-off, allowing man to do as he pleased. Certainly, for the last 2,450 years since the last of the prophets, Malaky, spoke to us God has had nothing to say because He said everything that we needed to know. That's why the books of *Yada Yahowah* exist to share what God has already told us about yesterday, today, and tomorrow. He intervened to provide this prophetic testimony through prophets such as Yasha'yah, Yirma'yah, Zakaryah, Howsha', Malaky, and more importantly, through Dowd, and prior to him, through Moseh. But He's been silent ever since because there was no one for Him to communicate through. After Malaky through today there hasn't been a single Yahuwd through whom Yahowah could communicate as if they were serving as a prophet. That's your fault, Israel. As I said, you turned up your nose, spit in God's face, and you are still that belligerent, antagonistic, embittered group that was on Nuweiba Beach cursing Moseh and saying, "I want to go back to the Egyptians!" You're still the embittered clan at the Waters of Marybah. It's time you change all that because for the past 2,500 years there hasn't been a single one of you through whom God could communicate. Why do you think I got this job? I got it by default. I'd love to think that what I offered God thought would be workable and usable just like he looked at Dowd and said, "I choose him for reasons that you humans don't understand. It's not the same way that you go about choosing people. I have a different criterion." While I'm no Dowd, I can tell you that I might be the person whose attributes are closer to him than anybody else alive today. That might make me one billionth of Dowd, but it's good enough for Yah to work with. So, I might think I have something to offer and that's why I got chosen. But that's not really true. I got chosen because you wouldn't allow Him to choose you. That's why He has been silent. He's not silent anymore.

1:12:01 He consented to have His Beloved Son, Dowd, fulfill his obligation to serve as the Passover Lamb giving up his *basar* | corporal body and to have his soul | *nepesh* carry the guilt of every Covenant member into She'owl to deposit it there never to be seen again on UnYeasted Bread so that he could be the first of the Firstborn Children of Bikuwrym, and then empowered, enlightened, and enriched tenfold on Shabuwa'ah. He has intervened through His *malak* | spiritual representatives to protect those who are about His business, and He has assigned the seven Spirits of Yahowah to inspire what you're listening to this evening and what you will find on the bookshelf at yadayah.com.

1:13:04 That's it. There has been nothing more. And that isn't because He wanted it to be that way.

1:13:29 There was an episode on the base of Mount Choreb where Yahowah said to Moseh, "I've given you a lot of responsibility. I'm going to do what I think is right. I want you to call all of Israel together. I'm going to come down off this mountain and I'm going to speak directly to all Yisra'el

in your presence and theirs because I want everyone to know that it is I, Yahowah, who is inspiring this Towrah, who is inspiring you, and who is speaking through you. So, Yahowah did as He said. What did Israel do? "No. Don't do that anymore! We never want to hear Your voice! Get away from here! Speak through Moseh, if you must!" Yes, you said that, Israel, you really did! And do you know what Yahowah's response was? He wasn't upset. He didn't say how dare you. Allah would have had a conniption fit, would have threatened to punish Jews a thousand ways. That wasn't Yahowah's response. He said, "They are right. I'm good with that." Yahowah was good with that because who wants to speak to a bunch of embittered children? Who wants to be in their presence? You're a bunch of belligerents; you are embittered children. You don't need to be, you shouldn't be, you don't have to be, but you are. And what an example in Moseh of a man of great courage, wisdom, empathy devoted, articulate. I know he said his tongue was slow. I've heard his speeches in *Dabarym*, and he was a great writer and orator. When you read *Bare'syth*, *Shemowth*, and *Qara'*, the first three books of the Towrah, and then listen to how in *Dabarym* Moseh encapsulated all of that such that it was pertinent to the lives of God's people, not only then but forever more, tells you this man was extraordinary. He had many of the same characteristics of Dowd. So, Yahowah is saying, "It can't be any better than this. I love communicating through and working with Moseh; he's one of the two most exemplary people in human history. I don't have to put up with these embittered children and yet I get to communicate My message to them." Yahowah was thrilled. It is what He is doing today.

1:16:54 I may not be a prize, but by comparison to Israel Yahowah finds my attitude towards Him delightful. That may not be saying much, but it's good enough and that's why I'm speaking to you tonight and that's why Yahowah is not speaking directly to you. Nonetheless, He wants you to come home. He needs you to come home now because He's made a promise that He is returning with His beloved Son, the Passover Lamb, your Savior, your Messiah and your King and He's doing so at 6:22 p.m. on October 2nd at sundown in Jerusalem in year 6000 Yah 2033, and He is expecting a minimum of 77,000 reconciled and joyous Yisra'elites and Yahuwdym there to greet Him on the ultimate family reunion on Yowm Kipurym, the Day of Reconciliations. That is going to occur. The question is will you be among those who are there?

1:18:26 Should that not happen, understand that Judaism is doing its best to preclude it from happening and that the primary purpose of Islam and the Quran is to preclude it from happening. Why do you think the ultimate enemy of Islam is the *kaphar*? *Kaphar* does not mean "disbeliever or infidel." *Kaphar* means "reconciled." Those who are reconciled with Yahowah are the ones who will thwart the Great Day of Satan because with 77,000 Yisra'elites and Yahuwdym there to greet Yahowah when He returns reconciled into the relationship, Satan's time is over; it's his Day of Doom.

1:19:22 So, Yisra'el, you need to know who your Passover Lamb is, you need to understand what God has accomplished through the Mow'ed Miqra'ey, what each of the seven represent, what the conditions of the Covenant are, to accept and use His name. It's not hard to pronounce. You can say Towrah, you can say Yisra'el, you can say Shalowm, right? You know hayah means "to exist,"

right? If you can say *hayah*, *Towrah*, and *Shalown*, you can pronounce Yahowah's name, three letters, one repeated, they are all vowels. It's not hard. It's all laid out there for you. I figured it out, why not you?

1:20:29 Yahowah looked for someone who was willing, but he only found one 22 years ago on Taruw'ah, and I wasn't even all that willing. I said, "You want me to do what?" His first request was to expose and condemn Islam and thank God I did. I only wish I had rewritten the book earlier as *God Damn Religion* but better late than never and I don't think if I had tried to rewrite it, I could have done what I've done now because there so much to learn, so much to know, so much courage and conviction that you develop over the years by coming to know and work with Yahowah. So many insights that help you understand the very motivation of the Quran and Islam. So, the timing is indeed perfect.

1:21:26 I told Yahowah at the time, "If You really want me to do this then we're going to have to cut a deal." He's pretty smart and can see the future, so He knew what I was going to say. He said, "Sure. What do you want?" "I want the following three things: First, I don't know squat about Islam so if we're going to do this it's Your responsibility to teach me what I need to know. We're going to work at this as a team. Second, Muslims have killed everyone who has attempted to do what you're asking me to do. If You are Who You say You are, and I go about doing this, I have a hunch that You're going to make certain that we get the job done, but nonetheless, I want a promise from You to protect my home, my family, and everyone surrounding me so I can focus on this job." "Okay," He said. "What's your third?" "It's Your job to promote it. That's the one skill set I possess from my business acumen. I'll do it. I'll write it. I'll make myself available to speak about it, but You must promote it." He said, "Reach into your pocket." I did and there was a copy of the 91st Mizmowr, and guess what it said. That God would do all those things and even more. And that's why I'm here. That's why I can expose and condemn Islam so bluntly on behalf of Yisra'el and not have to duck.

1:23:27 "**Yahowah** (*Yahowah* – God's personal and proper name, pronounced: YaHoWaH, based upon *hayah* – to exist) **examines the genuineness** (*bachan* – observes, closely examining and carefully considering, even testing the reaction) **of those who are upright and correct** (*tsadyq* – of those who are right, in accord with the standard, and thus vindicated).

1:23:33 **But** (*wa*) **the deceitful one who is wrong and religious** (*rasha'* – the fraudulent, wicked, and evil one guilty of leading others astray by engaging in criminal activity which is hostile to God, dishonest regarding the proper standard, opposite of what is right, and opposed to the Towrah, who speaks contrary to it, who is vexing and unethical, even unGodly) **and** (*wa*) **the one who is fond of** (*'achab* – who desires, romances, and becomes familiar with, who is a friend to, associates with, and shows a predilection and love for) **violence** (*hamas* – that which is wrong and destructive, that which terrorizes and maims without moral restraint, plundering and looting others (a concept emblazoned in the name of the Islamic terrorist gang, HAMAS)), **He hates his soul** (*sane' nepesh huw'* – He loathes and detests such an individual, He disdains and 51abhors

this person, He intensely dislikes, shuns, and rejects this life and consciousness)." (*Mizmowr / Lyrics to Sing / Psalm 11:5*)

1:23:39 I must apologize to my wife. This is the passage she wanted me to read instead of the previous one. Yahowah wanted you to hear it all. Let me repeat this.

1:23:51 "**Yahowah** (*Yahowah* – God's personal and proper name, pronounced: YaHoWaH, based upon *hayah* – to exist) **examines the genuineness** (*bachan* – observes, closely examining and carefully considering, even testing the reaction) **of those who are upright and correct** (*tsadyq* – of those who are right, in accord with the standard, and thus vindicated).

1:24:27 People have this terrible myth about the religious god that you're supposed to be good, that you are supposed to make donations. God doesn't give a crap if you're good or not. Can you imagine how many people were "more good" than Dowd? Sha'uwl, King Saul, was the "goodest of the good," and he was demon-possessed. So, it doesn't do you any good to be good; being right is all that matters. You need to be right about God, to be right about what Yahowah is offering and expecting in return. That's why 30 books sit on the bookshelf of yadayah.com. They're all free for you. There is no "Donate to us" button, there is no club you can join. There is nothing whatsoever you can do for me, I will ask nothing of you. Everything we have to offer is free for your benefit.

1:25:41 "**Yahowah** (*Yahowah* – God's personal and proper name, pronounced: YaHoWaH, based upon *hayah* – to exist) **examines the genuineness** (*bachan* – observes, closely examining and carefully considering, even testing the reaction) **of those who are upright and correct** (*tsadyq* – of those who are right, in accord with the standard, and thus vindicated).

1:25:48 **But** (*wa*) **the deceitful one who is wrong and religious** (*rasha'* – the fraudulent, wicked, and evil one guilty of leading others astray by engaging in criminal activity which is hostile to God, dishonest regarding the proper standard, opposite of what is right, and opposed to the Towrah, who speaks contrary to it, who is vexing and unethical, even unGodly) **and** (*wa*) **the one who is fond of** (*'achab* – who desires, romances, and becomes familiar with, who is a friend to, associates with, and shows a predilection and love for) **violence** (*hamas* – that which is wrong and destructive, that which terrorizes and maims without moral restraint, plundering and looting others (a concept emblazoned in the name of the Islamic terrorist gang, HAMAS)), **He hates his soul** (*sane' nepesh huw'* – He loathes and detests such an individual, He disdains and abhors this person, He intensely dislikes, shuns, and rejects this life and consciousness)." (*Mizmowr / Lyrics to Sing / Psalm 11:5*)

1:26:44 God says He hates the souls of those who are *hamas*, of those who are *rasha'*. God damns religion! It is a sentence. God separates from, God forsakes, God damns religion! God hates religion, all of them: Christianity, Judaism, Islam, and Progressivism. He hates them because they're wrong, deceitful, because they are *rasha'*, "fraudulent and prone to violence." You might say, "How are the progressives? You can't say they're violent." What is the extrapolation of super liberalism? Communism, is it not? How many people died at the hands of the Communists,

particularly Lenin, Stalin, and Mao? One hundred million. They killed twice as many as Hitler did. So, don't tell me that progressives aren't deadly; they are. They're deadlier than any standard religion and they have religious zeal.

1:28:13 **“Yahowah** (*Yahowah* – God’s personal and proper name, pronounced: YaHoWaH, based upon *hayah* – to exist) **examines the genuineness** (*bachan* – observes, closely examining and carefully considering, even testing the reaction) **of those who are upright and correct** (*tsadyq* – of those who are right, in accord with the standard, and thus vindicated).

1:28:21 What does it mean that He is “examining?” It means that Yahowah is observing in the sense He's closely examining, carefully considering, is paying attention to what we are doing for you because we're doing what He wants done.

1:28:55 **But** (*wa*) **the deceitful one who is wrong and religious** *Rasha'* is wide-spread delusion, wide-spread fraud. When it comes to God and being wrong which is the opposite of *tsadyq* | being right, there is only one institution that qualifies more than other - religion. The others that qualify to a lesser degree are politics, patriotism, conspiracy, and militarism.

1:29:34 **and** (*wa*) **the one who is fond of** (*'achab* – who desires, romances, and becomes familiar with, who is a friend to, associates with, and shows a predilection and love for) **violence** (*hamas* – that which is wrong and destructive, that which terrorizes and maims without moral restraint, plundering and looting others (a concept emblazoned in the name of the Islamic terrorist gang, HAMAS)

1:29:40 When flood occurred the Nephilim were dominant in the land. Nephilim speaks of those who prostrated themselves, the first Muslims if you will. Do you know what word God uses to describe them? He says that they were *hamas* | they were violent. What did God do to them? He expunged them from the Earth. What do you think God’s going to do when He returns in less than ten years from now? You think He’s going to change? He's just not going to use water this time.

1:30:21 **He hates his soul** (*sane' nepesh huw'* – He loathes and detests such an individual, He disdains and abhors this person, He intensely dislikes, shuns, and rejects this life and consciousness).” (*Mizmowr* / Lyrics to Sing / Psalm 11:5)

1:30:28 I opened Volume One of *Observations* with a statement “Hate is a virtue.” It’s never been more important for people to recognize that than now. At the time I thought it was an important insight that I had derived from studying Yah’s word. But Dowd, my King, wrote it 3,000 years ago, and it’s good if you come to the same conclusion as the smartest man who ever lived; that's not such a bad thing. It’s God’s conclusion as well. We need to know what to hate: Religion, politics, militarism, Hamas, violence, being wrong and we need to know how to hate. It’s not with bullets and bombs, it's not with fists and knives. It’s with words wielded wisely, the truth. It’s important that we understand that on October 7th there were pedophiles, and we should hate pedophilia. There were rapists and we should hate rape. There were terrorists and we should hate terrorism. There were mass murderers, and we should hate mass murderers. There were those who

abducted men, women and children and we should hate those who engage in human trafficking and slavery. There are things we should hate, and we should hate the doctrines that inspire people to do these.

1:32:09 Humankind has been mistreated, abused, deceived, and traumatized for the past five thousand years by civilized man. The more man becomes part of nations and large institutions the worse he becomes. I've said this many times that individuals can be good or bad; most are a little of both. But large institutions and nations are always bad. The larger the group of humans the worse it becomes. Far too few people have had the courage or compassion to oppose the religious, political, militaristic, and conspiratorial influences which have been so universally corrupting, corrosive and deadly. Unless far more of us learn what and how to hate, the caustic influences which have stained every human civilization and bloodied humankind will continue to be as destructive and deadly, as deceitful and damning (as Islam is today) as they have been from their inception.

1:33:23 Terror exists and prevails because there isn't one in a million of us who has invested the time, who has demonstrated the courage, who has embraced the characteristics which Yahowah caused Dowd to be inspired with and to write, and who, as a result, is willing to expose and condemn Islam, the religion responsible for 95% of today's terrorist atrocities. There isn't one in a million who understands and despises what Paul wrote sufficiently to systematically disavow Christian deceptions holding the religion accountable for the horrible crimes it has committed against man and God.

1:34:25 There isn't one in a million willing to explain why we should not be political or patriotic, providing the reasons to not support a political party, military, spy organization, international diplomacy, any conspiracy or religion. Until far more people come to their senses, shed their ignorance, develop some character, and start thinking rationally, deceit and violence will continue to ravage our world, with its carnage littering every place on Earth.

1:35:11 For love to prevail, hate must exist. For truth to be known and accepted, lies must be loathed. There are many things that God has identified worthy of our disdain. For us to do as we should, they must be known, understood, exposed, and condemned – all with words wielded wisely using evidence and reason.

1:35:36 And yet the religious say we should be against homosexuality; God has nothing to say about the subject. He's opposed to forcibly coming upon another man sexually, but He's also opposed to a man coming against a woman without consent. He's against incest and pedophilia, rape and bestiality but this rest of it, no. This idea that women need to be dressed up to their eyeballs and that the relationships between men and women need to be religiously controlled is nonsense. God doesn't have any issue with sexuality.

1:36:28 God does have an issue with lies about Him, hiding and removing His name and not speaking honestly about the conditions and benefits of His Covenant, not speaking openly and honestly about the nature of the seven Mow'ed Miqra'ey and what they represent: Invitations to

Meet with God, to be called out of this world. There are things that matter to God, but prayer is not one of them. He doesn't want us to pray; He wants us to listen to Him instead. Worship is not one of them; He has no interest in being worshiped. Known, respected, loved, yes. Worshiped, no. He doesn't want anyone bowing down to Him. He never asks for our donations. He hates religion with a passion.

1:37:25 It's a very simple relationship that He's offering and a straightforward means to be part of it. Either choose "yes" or "no." If you choose "yes" you get to be part of His Covenant family forever and live forever with Him and with the rest of us to experience the universe. If you say "No" your soul simply dissipates to nothing at the end of your life. There's no reward, no penalty. But if you fight against God's people, if you fight against Him, if you oppose Him, if you're parading against Israel on some college campus somewhere around the world, if you're part of a "mujahideen" raping and abducting Jews or encouraging those who do then your soul is destined for an eternity in She'owl. So, there's a real consequence of what you choose to do in this life, and you need to know it.

1:38:32 We should never promote violence as a solution to any problem. We must use words. We must acknowledge that religion and other forms of deceit live within the souls of their advocates. The treacherous will continue to be corrosive so long as the proponents of such tactics live. This is why Yahowah will be expelling and exterminating them; it's His job to do so. It also means that it is appropriate for us to condemn, using words, the most vocal and notorious proponents of delusions since Yah clearly holds them in disdain beginning with the likes of Paul, Akiba, and Muhammad.

1:39:19 The idea of a prison whose bars are comprised of light appears intriguing, especially fitting and proper.

1:39:33 **"He will bring down** (*matar* – He will cause to fall, raining) **on those who mislead and are mistaken, the deceitful and religious** (*'al rasha'* – on those who have been corrupted and are wrong, those who are invalid, fraudulent, and unethical, leading others astray, and who, by being opposed to what is right have done or spoken that which is inappropriate and confusing and should be condemned), **a means of incarceration** (*pach* – a confining means of control, a snare) **comprised of fire** (*'esh* – made of flames, burning light, and combustible material, that which glows brightly and burns hotly) **and brimstone** (*wa gaphryth* – sulfur, a yellow element which burns blue, emitting poisonous and noxious fumes) **in addition to** (*wa*) **a scorching spirit of righteous indignation** (*zal'aphah ruwach* – a rightfully and appropriately opposed and angry spirit, one that is suitably enraged) – **a fitting receptacle and an appropriate fate for them** (*manath kows hem* – the portion that encapsulates their destiny, the cup which has been assigned to them based upon what they have contributed to this vessel, a dutiful decree and decision of God)." (*Mizmowr* / Lyrics to Sing / Psalm 11:6)

1:39:54 There is no fire in She'owl, but when Yahowah returns, He's going to transform the entire Earth into the conditions experienced in the Garden of Eden where there was no religion, politics

or militarism and to do that He must eliminate all traces of religion and politics. And since the host for religion and politics are the religious and political they must go. He said He's not going to eliminate people anymore with a flood. What is He going to do? He and His Son are coming back as brilliant as the sun as light, as energy, and those who are not protected by the Set-Apart Spirit as members of the Covenant will be incinerated. It's going to be very much like fire and brimstone. Both of the two Witnesses, Yada' and 'ElYah in Yaruwshalaim during the last three a half years will have the capacity to incinerate those who are annoying, a little foretaste of what Dowd and Yahowah are going to do. "Take that. Enough already. You've said way too much."

1:41:23 **a scorching spirit of righteous indignation** (*zal'aphah ruwach* – a rightfully and appropriately opposed and angry spirit, one that is suitably enraged) – **a fitting receptacle and an appropriate fate for them** (*manath kows hem* – the portion that encapsulates their destiny, the cup which has been assigned to them based upon what they have contributed to this vessel, a dutiful decree and decision of God)." (*Mizmowr / Lyrics to Sing / Psalm 11:6*)

1:41:34 It has become obvious that Yah despises everything associated with *rasha'*, the closest Hebrew word to religion. Eternal incarceration in a cell comprised of burning sulfur while enduring the righteous indignation of an angry spirit does not sound appealing.

1:41:58 By the way, there will be a period of time where the worst of the worst are going to be held as hostages here on the earth because the worst of the worst aren't being dispatched immediately to She'owl. I don't know if you know that or not, we've talked about it on this program. There's a whole lot of people who deserve to see those who tormented them get theirs. The mother and father whose fingers, toes and eyes were mutilated by Muslims on October 7th, while they had their eyes, were forced to watch their children have their fingers and toes cut off and their eyes gouged out ___ these Muslims ate their Shabat dinner and then pissed on them; they deserve to watch those Muslims suffer and God's going to assure that that happens.

1:42:57 So there are the likes of Muhammad and all of the initial Muslims, many popes and rabbis, and some people that I have mentioned like Paul, Peter, Akiba, Maimonides, Hadrian, Titus, Nero, and Vespasian who before they go to their eternal stay in the black hole of She'owl, are going to get what they deserve and the souls of those they abused, particularly of God's people, are going to have closure because they were helpless as they were tortured, and now they're going to see them get their own . So, there will be a period of time where there will be captives held like this on Earth before they're sent to She'owl, and Dowd and Yahowah are going to delegate the responsibility of making sure there is closure for God's people and that there is justice. If that makes you uncomfortable then I guess you don't have the same morality that Yahowah does. You can't torment His people without paying a price. Yes, Yahowah despises everything associated with *rasha'*, so this the right way to resolve what they have done.

1:44:29 So, by all means, let's avoid being *rasha'*: misleading or mistaken. Rabbis have done the most damage to mislead God's people. They will be the first, and they deserve what's coming to them. Let's avoid being *rasha'*, religious and thus deceitful, corrupted or corrupting, wrong and

thus invalid, fraudulent, or unethical. Let's be careful and not lead anyone astray, always avoiding that which is inappropriate and confusing in relation to God.

1:45:09 Being *tsadyq* | right is clearly the better choice. In fact, *rasha'* is being presented in direct contrast to being *tsadyq*. One is wrong and the other is right. And therein is the difference between life and death, Yahowah and Satan, Shamaym or She'owl.

1:45:32 I have time probably to read this next line. We don't have any time to comment on it, so, once we finish with it I wish you all a wonderful Shabat and a wonderful conclusion of Chag Matsah to those who have celebrated it at the later time.

1:45:50 **“Concerning** (*ky* – surely, instead and by contrast, because on behalf of) **those who are right and thus vindicated** (*tsadyq* – those who are upright and correct, and therefore acquitted), **Yahowah** (*Yahowah* – the proper pronunciation of the name of *'elowah* – God as directed in His *towrah* – teaching regarding His *hayah* existence and our *shalowm* – restoration) **loves** (*'ahab* – desires and adores, establishing a close personal relationship with) **the upright and correct** (*tsadaqah* – those who are right and thus vindicated, the just and innocent who prosper by deciding appropriately).

1:46:01 **The straightforward and reasonable** (*yashar* – those who are on the level and consistent) **shall gaze upon** (*chazah* – shall observe and behold, look upon and see (qal imperfect)) **His face** (*pane h'uw'* – His appearance and presence).” (*Mizmowr* / Lyrics to Sing / Psalm 11:7)

What a wonderful way to complete this program. I hope for those listening in Yisra'el, for all Yahuwdym around the world, particularly in the United States and Europe, that you will become right with God, become vindicated, come to know Yahowah's name, love Him and He will love you. Be right with Him and He will be right with you, and you shall gaze upon His face.

Thank you for listening. May Yah bless. Good night to one and all.
